WHERE LAND ENDS, LIFE BEGINS.

Welcome aboard our 53ft Sundancer. VIVA, with her shimmering gold hull, offers a taste of European styling and comfort for your cruising enjoyment. Available for private day Charters or luxury transfers, this spacious Yacht would be just perfect for your day on the sea. VIVA has two Sun Pads, Sat TV with Bose Sound System, 4 TVs, and salon easy chair included in the list of amenities.

You deserve the great service of our professional crew, including blended drinks, wine, cheeses and other exotic snacks. Our dinghy is available for getting to the cozy areas not accessible with our larger Boat. VIVA delivers a 30 knot speed when desired and maintains the level of comfort you deserve. Life begins on a VIVA charter!
